

## Personal, Social and Emotional Development

- We will be able to resolve conflicts with our peers.
- We will talk about the things we are good at and the things we want to improve.
- We will talk about our feelings and how we show these feelings to others.

## Physical Development

- We will use a pencil in a pincer grip and form letters correctly.
- We will be able to explain what happens to our bodies when we exercise.

## Expressive Art and Design

- I can explore how to make different colours.
- I can use junk modelling to build a house.
- I can use instruments to make loud and quiet sounds, creating my own rhythm.

When you go down to the woods today...

## Understanding the world

We can talk about how plants grow and the parts of a plant.  
We can use a camera to take photos of our learning.

## Communication, Language and Literacy

- We will listen carefully to stories and talk about the key parts.
- We will use speech to predict, speculate and draw conclusions.
- We will create our own endings to familiar stories.

## Literacy

- We will read words and simple sentences
- We will write short sentences for a range of purposes.

## Mathematics

- We can find one more or one less of up to 10 objects.
- We can talk about adding and subtracting in practical activities.
- Orders two or three items by length or height.
  - Orders two items by weight or capacity.
