

ENQUIRY

...a quest for truth,
understanding or knowledge

I need...

A starting point
(to inspire me)

An end goal
(to guide my thinking)

Basic knowledge about the topic
(to give me a foundation to build on)

Time
(to do my line of enquiry justice)

Resources
(to answer my questions and develop
my understanding)

Opportunities for collaboration and
independence
(to allow me to consider the opinions
of others, and reflect on them)

I will...

make choices

(know what I am doing and why I am
doing it)

plan

(know how to use my time and
resources effectively)

pace myself and take responsibility for
my progress

(know that there are interim goals and
milestones on my journey)

take ownership of the information
(know that I need to make the learning
my own)

have commitment to an end goal
(know that I must finish what I start)

I feel...

Independent
Valued
Responsible
I have achieved
Proud
