

# INDEPENDENCE

...a unique and individual journey

## I need...

Resources to choose from  
(to be prepared)

Opportunities to take risks  
(to enable me to 'have a go')

To be trusted to make decisions  
(to encourage me to consider my choices)

To be allowed to make a mistake  
(to feel 'safe' and not have to worry)

Time to be productive  
(to be able to complete my work)

## I will...

be prepared

(know what I need, or where to get it)

be productive

(know what I need to do, or ask)

take risks

(know that I may not be able to, but will have a go)

accept mistakes

(know that I may get it wrong, and be okay with this)

make decisions

(know that I will need to make a choice, and may get it wrong)

## I feel...

Respected

A sense of freedom

Cared for

Trusted
