

Support and actively listen to others

Great reading...good thinking

I like the way you...when you read.

You've really improved in ...

Which strategy might help you
here?

What do you think?

Good Point/ Idea. Oh yes /no!

That's interesting ... do you think
so?

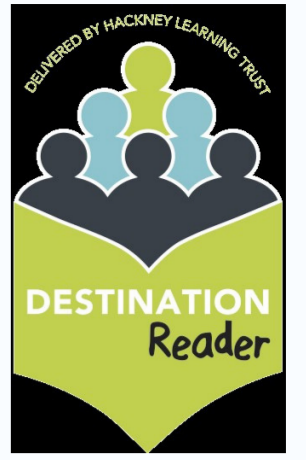

I hadn't thought of that point.

Tell me more...

Discuss and explain our ideas

I think this means...because it
says...

This part suggests that ...because...

My view is that ... because in the
book...

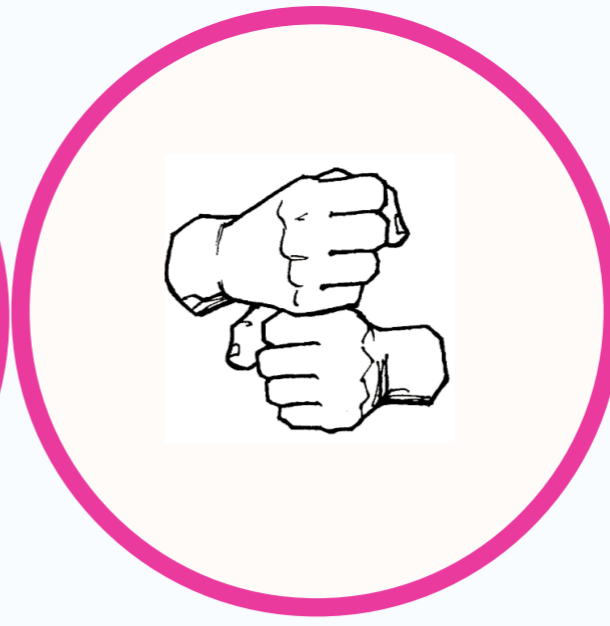

On the one hand you could say..
but on the other ...

...is similar to ...because...

In my opinion ...because..

In summary / I conclude that...
because...

I agree with ...
because...

Similarly ..

Adding to that
point...

Agreeing

I'd like to build
on that point ...

In contrast....

**Disagreeing/
challenging
ideas**

I agree with
some aspects of
...'s point,
however...

What evidence
is there to back
up your point?

Why do you
think that?

It could be
but...

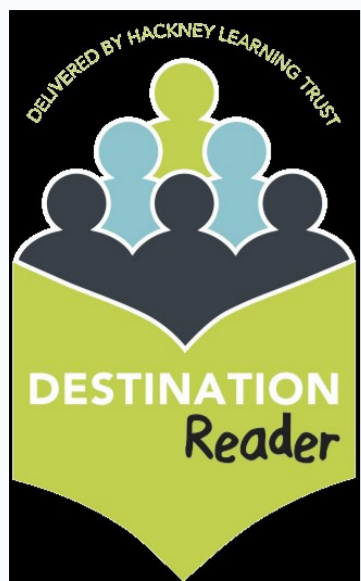

Alternatively

New Idea

Have we
considered? ..

On reflection I
no longer think
that ...

Another point I
wish to make ...

Take responsibility for our own / groups learning

Are we all clear on the key ideas?

We worked well today because

we...

Today didn't work well because ...

Our target next time should be ...

Did you take part?

Did everyone understand?

Did everyone participate?
