

Simon A Wood – Executive Headteacher

18th December 2019

Dear Parents/Carers

New Online Payment System – ParentPay

After listening to feedback from you as parents/carers, we are really pleased to announce that from January 2020 we will be using ParentPay for all payments made to school.

This means you will be able to pay for school meals, trips and visits, and after school clubs all in one place!

This will be safer for you as parents/carers as you will not need to hand cash to class teachers or into the main office, also saving you time! I am sure many of you are already using ParentPay with older siblings, as it is used in many of the local secondary schools.

This week you will receive an email from ParentPay so that you can register, I have attached some information for you.

If you need any assistance, the office staff will be more than happy to help.

Yours sincerely

Simon Wood
Executive Head Teacher
