What do our parents/carers say about us?

"All three of my children attend Copperfield. It is a warm and inviting school that has allowed my children to blossom. The staff are all kind and supportive. My youngest child has just started Reception, the staff are so loving and he absolutely loves coming to school each morning."

"Our daughter has absolutely thrived at Nursery due to the amazing teachers and the variety of play equipment and learning. There is a mud kitchen, home corner, bikes and much more for every child to enjoy"

"Just want to say thank you so much for all your support and help for my daughter. She loves school and her teachers. I am happy to see how she runs everyday to school. I will never stop being thankful for everything the teachers have given my daughter"
