

## Copperfield Academy - Our Remote Learning Offer

### **Picture News Activities**

We post a weekly News story for you to reflect on. All stories are interesting and the activities are thought-provoking.

### **Pre-Recorded Lessons**

We share lots of pre-recorded sessions for Art, Music, Reading, Phonics and PE, and MFL.

### **Home Learning Pack**

A home-learning pack for you to work through independently. This focuses on many key skills, and supports 'catch-up'.

### **Live Lessons**

You will be invited to 'Live Lessons' daily (please refer to your class' timetable).

### **Our Hours of Education Provided**

We will provide, at the very least, 3 hours' online learning content. Your Home Learning pack will provide at least an hour of home learning a day and finally the links and pre-recorded sessions posted on your class' Team will also provide at least an hour of education a day. Your timetable can help you to plan your education throughout the day. If you miss a 'Live Lesson' they are all recorded so you can watch them back and complete the tasks at your own pace.

### **Virtual Assemblies**

Videos for you to watch with 'reflection' tasks afterwards.

### **Links to educational videos and websites**

We share links to your Team daily, related to our curriculum for you to enjoy.

### **School Subscriptions**

You can log into 'Times Table Rock Stars', 'My Maths' or any other school subscription you currently have.

### **Well-being Catch-Ups**

We offer daily well-being catch-ups - these are sometimes called 'Live Q and As' where you can ask questions, and talk to your friends and teachers.
