

Year 4 Key Information

A reminder that all children must have a rain coat in school at all times. We do the daily mile each day and it is essential that children are prepared for all weather conditions.

We have PE on **Wednesday** mornings, please ensure your child arrives to school in their PE kit.

All pupils should be reading for at least **15 minutes** a day. To enhance our pupils love of reading we have created class logins for The Oxford Owl eBook Library. The library contains a wide selection of books that are carefully levelled, please ask your child's teach for their correct level or Book Band. Children can access from any online device and can borrow and return eBooks just like a regular library.

Our Forest School day is **Monday** please ensure you have wellie/ outside boots and a waterproof coat/suit.

Quick recall and application of times tables is a fundamental and necessary skill for success in maths. To help pupils master their times tables we have created individual logins for each child on Times Tables Rock Stars. MyMaths will also continue to be updated regularly. Please let your class teacher know if you support with either website.
