

## What is 11 before 11?

This is our promise to all children across the REAch2 family: 11 exceptional experiences that will inspire and challenge our children. Everything we do is about helping children develop the character traits that will help them thrive as they graduate from Primary School and move on to the next phase of their education. We want every child to leave us with the ability to engage fully with the challenges of a secondary school life; both the curriculum but also the day-to-day reality of growing up and starting to discover who they are, what they are passionate about and what they are capable of.

## What are the promises?

Throughout your child's time at Copperfield Academy they will have the opportunity to complete each promise. If your child is with us from Early Years to Year 6 they will leave Copperfield Academy with all 11 promises and the passion and confidence to tackle anything!
