

Whilst children undertake our online learning activities, it is important to keep safety as a priority. Please read the following commitment as you will be **automatically agreeing to it by engaging as a family** with our online resources. Your children will be able to access a wide variety of “Live” resources, using our safe and secure online learning platform. Children will be able to chat to their teachers, and friends, via our chat feature or online video conferencing. For any of these activities, **you are to ensure you are following the guidelines below.**

## Our online commitment to you:

1	Lives	You will be able to access “Live” lessons, recorded in our classrooms ,with content that is relevant and age-appropriate. Teachers will broadcast the lesson to pupils. You may choose to take part with your camera off and just tune in, or you may wish to put your camera on and interact fully with the lesson.
2	Live Q & A sessions	This is an opportunity for you to ask questions about anything uploaded to Teams, or any questions you may have at this time. You may type your questions, or you may wish to ask your questions via the video link.
3	Chat function	This function allows written messages to be sent for members of our teaching team to answer.
4	Pre-recorded videos	These videos will be linked to your child’s curriculum.
5	File uploads	Files will be uploaded - these will be educational tasks and information to support children who are learning at home.

## The commitment we wish from you as you take part in the above:

1	<b>Dress code</b> 	When taking part online you must ensure you are dressed: this means, no swimwear, no Pyjamas, no dressing gowns, etc. (This applies to <u>everyone</u> who may be in view of the camera)
2	<b>Suitable learning environment</b> 	You must work in a space that is suitable and conducive to learning. This could be a kitchen or a lounge but <u>must not be a bedroom</u> . Please remember our respectful working hours, <u>no posts will be made to Teams after 7pm each day.</u>
3	<b>Courtesy and respect</b> 	When you take part in our online activities and lessons that are live, you must ensure that you are polite and respectful at all times to others listening and joining in. Language must be appropriate at all time, whether this is written or during live videos.
4	<b>Written communication</b> 	All written communication must be polite and respectful - whether this is to teachers or to other pupils.
5	<b>Conduct</b> 	When teachers share resources during a live video you must only draw on the whiteboard if you are directed to do so.
