The Pebble In My Pocket by Meredith Hooper

Where do pebbles come from? How were they made? This book tells the story of a pebble, from its origins in a fiery volcano 480 million years ago to a busy, modern landscape. Readers follow the processes of rock formation and erosion that create new pebbles all over the world.

Ocean Meets Sky by Eric Fan

A stunning picture book about a young boy who sets sail to find a place his grandfather told him about... the spot where the ocean meets the sky. *It's a good day for sailing.*

Finn lives by the sea and the sea lives by him. Every time he looks out his window it's a constant reminder of the stories his grandfather told him about the place where the ocean meets the sky. Where whales and jellyfish soar and birds and castles float. Finn's grandfather is gone now but Finn knows the perfect way to honor him. He'll build his own ship and sail out to find this magical place himself! And when he arrives, maybe, just maybe, he'll find something he didn't know he was looking for.
