

## COVID-19 Risk Assessment: September 2021

Site / school name:	Copperfield Academy		
Name(s) of person(s) covered by this assessment:	<ul style="list-style-type: none"> <li>▪ Staff</li> <li>▪ Catering staff</li> <li>▪ Cleaners</li> <li>▪ Pupils</li> </ul>		
Tasks and activities covered by this risk assessment:	<ul style="list-style-type: none"> <li>▪ General childcare / wrap-around care &amp; education provision during COVID-19 including social-distancing and minimising contacts.</li> <li>▪ Cleaning and sanitisation</li> <li>▪ Food and catering services provision</li> <li>▪ Property maintenance and statutory compliance</li> <li>▪ General site occupancy and site movement</li> <li>▪ Personal hygiene</li> </ul>		
Equipment and materials used:	<ul style="list-style-type: none"> <li>▪ General class and teaching materials</li> <li>▪ Cleaning materials and equipment</li> <li>▪ Catering equipment</li> </ul>		
Location(s) covered by this risk assessment:	<ul style="list-style-type: none"> <li>▪ All school premises</li> </ul>		
What are the hazards?	<ul style="list-style-type: none"> <li>▪ Potential for spread of COVID-19 between persons at school showing symptoms of coronavirus or those who are confirmed to have coronavirus.</li> </ul>		
Who might be harmed and how?	<ul style="list-style-type: none"> <li>▪ Staff, pupils, contractors, and visitors may catch COVID-19 via direct or indirect contact with carriers whilst on site.</li> <li>▪ Potential for spread to other family members / persons.</li> </ul>		
Name of person completing this risk assessment:	Simon Wood, Executive Headteacher	Date of completion:	01.09.21
Risk assessment approved by:	Katherine Alexander, COO, CoIB	Date of approval:	01.09.21
Date risk assessment to be reviewed by:	Ongoing weekly, see Record of Weekly Reviews	Risk assessment no:	001/2021-22

### Risk Consideration Priority Matrix

	Risk consideration that if not managed has the potential for severe impact on a school, for which the Trust requires information on its management controls to be detailed as part of the school risk management review.
	Risk considerations that, if not managed, may have some impact on the school and should form part of the school risk management review.
	Risk consideration that do not present a significant risk but could form part of the school risk management review.

## Key Changes in Approach

### Mixing & Bubbles

- At Step 4 we will no longer recommend that it is necessary to keep children in consistent groups ('bubbles').
- As well as enabling flexibility in curriculum delivery, this means that assemblies can resume, and you no longer need to make alternative arrangements to avoid mixing at lunch.

### Tracing Close Contacts & Isolation

- From Step 4, close contacts will be identified via NHS Test and Trace and education settings will no longer be expected to undertake contact tracing.
- From 16 August 2021, children under the age of 18 years old will no longer be required to self-isolate if they are contacted by NHS Test and Trace as a close contact of a positive COVID-19 case.
- Instead, children will be contacted by NHS Test and Trace, informed they have been in close contact with a positive case and advised to take a PCR test. We would encourage all individuals to take a PCR test if advised to do so.
- 18-year-olds will be treated in the same way as children until 4 months after their 18th birthday, to allow them the opportunity to get fully vaccinated. At which point, they will be subject to the same rules as adults and so if they choose not to get vaccinated, they will need to self-isolate if identified as a close contact.
- Settings will continue to have a role in working with health protection teams in the case of a local outbreak. If there is an outbreak in a setting or if central government offers the area an enhanced response package, a director of public health might advise a setting to temporarily reintroduce some control measures.

### Face Coverings

- From Step 4, face coverings will no longer be advised for pupils, staff and visitors either in classrooms or in communal areas
- From Step 4, face coverings are also no longer recommended to be worn on dedicated transport to school or college and are no longer legally required on public transport.
- If you have an outbreak in your school, a director of public health might advise you that face coverings should temporarily be worn in communal areas or classrooms (by pupils 6 staff and visitors, unless exempt). You should make sure your outbreak management plans cover this possibility.

### Stepping Measures Up & Down

- You should have outbreak management plans outlining how you would operate if there were an outbreak in your school or local area.
- Central government may offer local areas of particular concern an enhanced response package to help limit increases in transmission.
- If you have several confirmed cases within 14 days, you may have an outbreak.
- You should call the dedicated advice service who will escalate the issue to your local health protection team where necessary and advise if any additional action is required, such as implementing elements of your outbreak management plan. You can reach them by calling the DfE helpline on 0800 046 8687 and selecting option 1 for advice on the action to take in response to a positive case.
- The contingency framework describes the principles of managing local outbreaks of COVID-19 in education and childcare settings. Local Authorities, Directors of Public Health (DsPH) and PHE Health Protection Teams (HPTs) can recommend measures described in the contingency framework in individual education and childcare settings - or a small cluster of settings – as part of their outbreak management responsibilities.

### Control Measures

1. Ensure good hygiene for everyone
2. Maintain appropriate cleaning regimes.
3. Keep occupied spaces well ventilated
4. Follow public health advice on testing, self-isolation and managing confirmed cases of COVID-19.

## COVID-19 Risk Assessment: September 2021

Risk Consideration	School Management Arrangements	Further Actions Needed	Risks, Issues & RAG Rating
<p><i>Description of the prioritised areas of risk and issues identified by the Trust as requiring consideration as part of this Risk Assessment Process.:</i></p>	<p><i>Please identify and describe how each risk consideration factor has been reviewed, rationalised and applied (or achieved differently / improved upon) at school level and what management arrangements have been put in place.</i></p>	<p><i>Identify and describe any additional actions or management arrangements that will need putting in place, over and above those already implemented, in order to ensure that risks are mitigated and managed effectively.</i></p>	<p><i>Identify any residual risks and issues that require further action and / or support and apply a RAG rating colour as per the matrix at the end of this document.</i></p>
<b>Hand Hygiene</b>			
<p>Ensure that pupils clean their hands regularly. This can be done with soap and water or hand sanitiser. The school has maintained good supply of soap and access to warm water for washing hands. Appropriate controls are in place to ensure the suitable and frequent sanitisation of pupil's hands on arrival / before going into classrooms, before changing rooms, following breaks, before / after meals, following the use of toilets etc.</p>	<ul style="list-style-type: none"> <li>▪ All pupils to sanitise hands upon entry to school, each different classroom, after breaks and when entering lunch halls etc.</li> <li>▪ Ongoing practice, as last year</li> </ul>		
<b>Respiratory Hygiene</b>			
<p>Ensure good respiratory hygiene by promoting the 'catch it, bin it, kill it' approach with enough tissues and bins available in the school to support pupils and staff to follow this routine.</p>	<ul style="list-style-type: none"> <li>▪ Staff discussion /raised awareness on PD day</li> <li>▪ PC informed in July '21 of measures changing/remaining and on an ongoing basis</li> <li>▪ Plentiful supplies</li> </ul>		
<b>Use of PPE</b>			
<p>Most staff in schools will not require PPE beyond what they would normally need for their work. Notwithstanding, the school has suitable arrangements in place to follow the guidance on the</p>	<ul style="list-style-type: none"> <li>▪ Staff will wear masks at drop-off and pick-up gates, and parents/carers will be asked to</li> </ul>		

Use of PPE in Education, Childcare and Children's Social Care Settings which includes information on the use of PPE for COVID-19.	support with this due to the sheer volume of people		
<b>Cleaning Regime</b>			
Staff or contractors engaged in cleaning are provided with suitable PPE and are competent to undertake their cleaning duties. Risk assessments are in place for cleaning activities and chemicals not accessible to staff or pupils. Please refer to the Estates guidance on cleaning	<ul style="list-style-type: none"> <li>▪ SSBM / Site Manager to meet with all employed staff</li> <li>▪ Risk Assessments completed</li> <li>▪ Estates guidance complied with</li> </ul>		
The school has in place suitable cleaning programme to take into account the increased cleaning of commonly used items such as handles, counters, IT equipment etc.	<ul style="list-style-type: none"> <li>▪ Cleaning regime in place before, during and after school day</li> </ul>		
Cleaning is undertaken at a time where minimal disturbance is likely, reducing the risk to building occupants.	<ul style="list-style-type: none"> <li>▪ As above</li> </ul>		
Staff or pupils with medical / intimate care needs have been assessed and relevant consents in place. Staff have been trained in the use of medications and increased level of control applied, to include the use of PPE when required (e.g. where 2m social-distancing cannot be maintained). Guidance from LA has been provided to manage pupils with intimate care needs.	<ul style="list-style-type: none"> <li>▪ Care Plans in place, as required</li> <li>▪ Updated PPE advice shared with all staff</li> </ul>		
<b>Ventilation</b>			
Suitable arrangements are in place to ensure good levels of ventilation throughout the school day whilst not compromising security or safeguarding.	<ul style="list-style-type: none"> <li>▪ Guidance implemented</li> <li>▪ Air-flow monitored by SLT throughout the day</li> </ul>		
<b>Symptomatic or COVID-Positive Individuals</b>			
<p>Suitable arrangements are in place for such individuals (and affected siblings):</p> <ul style="list-style-type: none"> <li>• To not come into school (to quarantine)</li> <li>• To be sent home if symptoms develop whilst in school.</li> </ul>	<ul style="list-style-type: none"> <li>▪ Guidance shared with staff and parents/carers</li> </ul>		

<ul style="list-style-type: none"> <li>For those sent home to avoid public transports and be collected by a family member</li> </ul>			
<p>In the case of a COVID-19-symptomatic child awaiting collection; provide, if possible:</p> <ul style="list-style-type: none"> <li>A suitable room where they can be isolated behind a closed door (if this is not possible, then establish an area which is at least 2 metres away from other people.</li> <li>Depending on the age / needs of the child and if required, appropriate adult supervision (wearing appropriate PPE if close contact is necessary).</li> <li>An open window for ventilation.</li> </ul> <p>If they need to go to the bathroom while waiting to be collected, they should use a separate facility if possible. The facility used must be thoroughly cleaned and disinfected before use by anyone else.</p>	<ul style="list-style-type: none"> <li>Isolation Rooms available and prepared</li> <li>SLT guidance shared with all staff</li> <li>Dedicated bathroom to be cleaned immediately after departure</li> </ul>	<ul style="list-style-type: none"> <li></li> </ul>	
<b>Asymptomatic Testing</b>			
<p>Whilst there is no requirement for primary school pupils to be tested over the Summer period; schools have suitable arrangements in place to step-up testing measures in response to changing local circumstances</p>	<ul style="list-style-type: none"> <li>Guidance read and applied</li> <li>Ready to respond to HPT advice</li> </ul>	<ul style="list-style-type: none"> <li></li> </ul>	
<b>Confirmatory PCR Tests</b>			
<p>Suitable arrangements are in place to ensure that any individuals with a positive LFD test result self-isolate pending the outcome of a PCR test within 2 days.</p>	<ul style="list-style-type: none"> <li>Self-isolation regime in place</li> <li>Sharing of results expectations clarified with parents/carers</li> <li>All staff aware</li> </ul>	<ul style="list-style-type: none"> <li></li> </ul>	
<b>Test &amp; Trace</b>			
<p>Confirmation that the school has a sound understanding of Trust COVID-19 reporting protocols <b>and</b> the NHS Test &amp; Trace process and, in respect of the latter, that relevant information has been passed on to staff and parents / carers.</p>	<ul style="list-style-type: none"> <li>RMP completed</li> <li>Contingency Plan completed</li> <li>Reporting processes shared with PC in July and again in September 21</li> <li>PHE Information available on website</li> <li>LFD Testing in place for staff, who wish to participate</li> </ul>	<ul style="list-style-type: none"> <li></li> </ul>	

	<ul style="list-style-type: none"> <li>Awareness that NHS will now contact parents and carers shared</li> </ul>		
<b>Clinically Extremely Vulnerable Children</b>			
Suitable arrangements are in place to enable all CEV pupils to attend school with the exception of those under paediatric or other specialist care who have been advised by their GP or clinician not to attend.	<ul style="list-style-type: none"> <li>Care Plans in place</li> <li>Arrangements ready for any remote learning needed</li> </ul>		
<b>Admitting Children into School</b>			
Suitable decision-making protocols are in place to refuse pupil-admission where it is necessary to protect others in the school population from possible infection with COVID-19. Such protocols must take account of all the circumstances and current public health advice prevalent at the time.	<ul style="list-style-type: none"> <li>Information shared with PC in July 21, and again in September 21</li> <li>ESLT members all have permission to refuse entry</li> </ul>		
<b>School Workforce</b>			
Staff in schools who are CEV should currently attend their place of work if they cannot work from home. Suitable arrangements and risk assessment processes are in place to ensure that CEV staff are able to take extra precautions to protect themselves and to follow the practical steps set out in the CEV guidance to minimise their risk of exposure to the virus.	<ul style="list-style-type: none"> <li>CEV Staff have plans in place to protect themselves</li> <li>School awareness raised for identified staff</li> <li>Staff have permission to update personal risk assessments on an ongoing basis</li> </ul>		
The school has suitable arrangements in place to encouraging vaccine take-up and which enables staff who are eligible for a vaccination to attend booked vaccine appointments where possible even during term time.	<ul style="list-style-type: none"> <li>Already completed in Summer 21</li> </ul>		
<b>Contractors</b>			
Suitable arrangements are in place to ensure that key contractors (and relevant visitors) are aware of the school's control measures and ways of working.	<ul style="list-style-type: none"> <li>Careful scheduling in place to minimise contact with those whom we would not normally come into contact with</li> </ul>		
<b>COVID-19 Outbreaks</b>			

<p>The school has a suitable Outbreak Contingency Plan outlining how it would operate if there were an outbreak in the school or local area. Given the detrimental impact that restrictions on education can have on children and young people, any measures in schools should only ever be considered as a last resort, kept to the minimum number of schools or groups possible, and for the shortest amount of time possible.</p>	<ul style="list-style-type: none"> <li>Plans have been reviewed against the DfE contingency framework and a separate Outbreak Contingency Plan has been produced for the school (based on the Trust template).</li> </ul>	<ul style="list-style-type: none"> <li>Undertake regular reviews of the Outbreak Contingency Plan in the context of both the evolution of the school's own operating / management procedures and any changes in Government Guidance.</li> </ul>	<ul style="list-style-type: none"> <li></li> </ul>
--	---	---	--

Other Risks / Issues for School Leaders to Address:			
	<ul style="list-style-type: none"> <li>N/A at this time</li> </ul>		

### Overall Risk / RAG Rating Matrix

Likelihood	Description	Score
Low	No significant risk or low risk items that are well managed with no impact on school activities.	1
Medium	Some minor risk items identified but management processes are in place within the school or Trust to manage them.	2
High	Significant risk items identified that require rectification or are potentially beyond the school's capability to manage.	3
